About Pastor Dave Scarlett and His Glory:

Pastor Dave Scarlett has built a life of service as the pastor of His Glory from a less than traditional path. As a former US Marine and telecommunications executive, Pastor Scarlett's life was permanently changed and his path altered when he had a near death experience that took him to heaven. He met the lord, and learned he was welcome in heaven, although his 'report card' was empty. It was then he knew he must return to his earthly existence and devote himself to a life of service through Christ. Pastor Dave founded and has since bravely led His Glory. As a lead pastor for Clay Clark's Reawaken America tour, Pastor Dave has facilitated over 5000 baptisms since the tour's start in 2021. As part of the core Reawaken America tour, Pastor Dave has also built a strong relationship with America's General, Michael Flynn, and has pioneered relationships with global leaders who continue to bridge the gap between Jewish and Christian biblical prophecy.
